ANNA BILOKON

Front-end Developer
Web developer

PROFILE

Creative and empathetic Front-end Developer with a passion for UX/UI Design and crafting beautiful, user-friendly applications. My experience spans from designing custom jewelry to building interactive web interfaces, blending aesthetics with functionality. I'm driven by an empathy and desire to create intuitive equity-focused products that truly meet user needs, combining technical skills with a deep understanding of design principles. I am eager to learn, grow, and take on new challenges.

TECHNICAL SKILLS

Front-end: HTML/CSS, JavaScript, TypeScript, Next.js, React, Tailwind CSS, Shadcn/ui, GSAP, Framer Motion, Node.js, npm, Git
Back-End: Clerk, Supabase
UI/UX: Figma, Material Design, UX/UI principles, wireframing, prototyping **Other**: R language, RStudio

SOFT SKILLS

Working effectively in cross-functional teams
Strong analytical and problem-solving abilities
Fast adapter and interested in learning new technologies
Adapting designs to meet accessibility standards or specific client needs
Attentive to details that could impact user experience
Prioritizing tasks to meet tight project deadlines

LANGUAGES

Swedish - Basic (improving)
English - Upper Intermediate
